## Counting Fruit

It is the end of the week and these are the fruits and vegetables left over from snack time at school. Create a tally chart to show what is left.

| Tally Chart |  |  |
| :---: | :---: | :---: |
|  | Tally | Total |
|  |  |  |
|  |  |  |
|  |  |  |

Now put your data into a pictogram. Draw the fruits into the boxes. In your pictogram, one picture should represent 2 pieces of fruit.

A pictogram showing

|  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
| banana | carrot | tomato | apple | pear |

## Questions

Answer these questions using your tally chart and pictogram:

1. How many bananas were left?
2. How many pears were left?
$\qquad$
3. How many tomatoes and carrots were left altogether?
$\qquad$
4. Which fruit had the fewest number of pieces left?
$\qquad$
5. How many more bananas were there than apples?
$\qquad$
6. How many fruits and vegetables were left altogether?
