Kiwi Kid: A Superhero

Kiwi Kid's original name was Lily Longbeak. Lily lives in the forest and was taking a stroll through the forest one day when she came upon a fresh water spring. Unknown to Lily when she took a sip from the stream, there were some kiwi feathers floating beneath the surface. One sip and Lily started sprouting feathers and became Kiwi Kid.

Big Superhero Facts

- Kiwi Kid sleeps during the day and wakes up to fight crime at night. This makes attending school tricky.
- Kiwi Kid loves flying in planes and travelling overseas but is terrified of heights.
- Kiwi Kid likes to snack throughout the day. She has a healthy diet of bugs and insects. She spends a lot of her night scavenging for them.

What Are Kiwi Kid's Powers?

Kiwi Kid has amazing eyes that allow her to see in the dark. Some who have seen her say they glow green. This amazing ability comes in handy when hunting for bad guys. Her longer-than-usual nose gives her a great sense of smell and she can usually smell Peter Possum from miles away. Kiwi Kid also has the power of invisibility and, within seconds, can disappear and blend into her background. This allows her to spring up from behind her enemies and surprise them.

Kiwi Kid: A Superhero

Who Helps Kiwi Kid?

Kiwi Kid is only 7 years old and still lives with her parents in a cottage in the forest. She has lived there her whole life but has a huge range of friends that also live in the forest.

Her best friend is Tuatara Teen who likes to stay up at night with her and fight crime. She also naps in during the day. Tuatara Teen has his own powers of invisibility and strength that help Kiwi Kid out in sticky situations.

Who Is Kiwi Kid's Enemy?

Kiwi Kid's enemy is Peter Possum. He sneaks around at night and tries to catch Kiwi Kid while she is fighting crime. His attempts fail him when he hasn't washed in a while, thanks to Kiwi Kids amazing sense of smell.
