Kia ora whānau,

It has been a busy start to the school year, with students settling confidently into their learning and daily routines.

Classrooms have been vibrant and focused and it has been wonderful to see friendships strengthening across the school.

We are especially pleased to have already recorded one classroom with several days of full attendance. Thank you to our whānau for your commitment to ensuring tamariki attend school each day. Regular attendance is essential for maintaining learning progress, building strong relationships and supporting overall wellbeing.

We appreciate your continued partnership in helping our learners make a strong start to the year.

We are also excited to have whanau day next week hope to see you all there !

Week 5

Come along to our Whānau Day! It's a great chance to meet the teachers at our school. We'll have heaps of fun things to do like a bouncy castle, CLM mini games, volleyball and desserts for sale. Can't wait to see you all there.

A friendly reminder to please ensure your tamariki bring their hats to school each day. As part of our sun safety policy, it is "No Hat, No Play." Students without a hat will need to remain in shaded areas during break times.

DUFFY ASSEMBLY 2026

Our tamariki were incredibly excited to attend our first Duffy Assembly for the year. The performances were engaging and entertaining and it was wonderful to see our students so inspired and enthusiastic throughout the event. Assemblies like these are a fantastic way to encourage a love of reading and learning. We were also very proud to celebrate those students who received our "Caught Being Good" awards.

C.C.S.A TOURNAMENT

A huge effort from our Intermediate year 7 and year 8 girl's team, who competed against neighbouring schools in our area. Well done to the boys team as well, who showed great determination and teamwork. We are proud of the effort, sportsmanship, and commitment shown by all our students !

WOODCARVING SESSIONS

We are extremely proud of our Intermediate students completing their first wood carving piece. It has been wonderful to see their creativity shine through their unique designs. While others researched and added their own personal flair.
