Kia ora whānau,

Welcome to another busy term.

Congratulations to E3/4 for achieving 100% attendance yesterday. A very big thank you to our parents and whānau for continually supporting our students attendance. We truly appreciate your ongoing support and commitment to helping our tamariki succeed.

Cultural Practices have also started with students practising in their cultural groups every Tuesday afternoon. Our school is proud to have a diverse range of cultural groups including our Fijian Indian Indian and Chinese groups. They are proudly showcasing their talents and are thoroughly enjoying the experience.

We have also had our Bruce Pulman Fundamentals programme start this week. So far our tamariki have really enjoyed their first session and are already looking forward to next week. Just a reminder that the Fundamentals programme will continue right through until the end of the term except for Week 8.

In addition MEPS would like to thank all the whānau for your contributions towards our Aitutaki fundraiser. Thank you for helping support our students through the Bonofee pie fundraiser. It was a huge success and we truly appreciate your generosity and support.

Lastly take the time to spend with your family and enjoy your long weekend. Our Kura will reopen on Tuesday

Attendance 100% - E3/4

We are confident, resilient and will reach great heights

Well done to E3/4 for achieving 100% attendance yesterday! What an amazing effort E3/4 keep up the great work! A big thank you as well to the parents and whānau of E3/4. We know that high attendance helps support students in striving for excellence.

Cultural Practises

Cultural Practices have started every Tuesday afternoon. Students are working hard and giving their best during practice while proudly celebrating their cultures.

Bruce Pulman - Fundamentals Program

Our Fundamentals programme has started at Bruce Pulman Gymnastics and our tamariki had an amazing time taking part in the activities. They loved the excitement of the warm up activities and especially enjoyed tucking themselves into a cocoon during the gymnastics sessions. Students from Years 2 to 5 had the opportunity to participate and showed great enthusiasm confidence and teamwork throughout the day. It was a fantastic experience that encouraged movement coordination and fun while learning new skills.

D4 PMP Fundamentals

D4 - Has their very own Perceptual Motor Programme (PMP) activities which are designed to connect physical movement with balancing and strengthening skills. They have their session in the hall every Thursday's.

Autitaki Fundraiser

Thank you everyone for all your support with our Autitaki Fundraiser. The tamariki really enjoyed their desserts.
